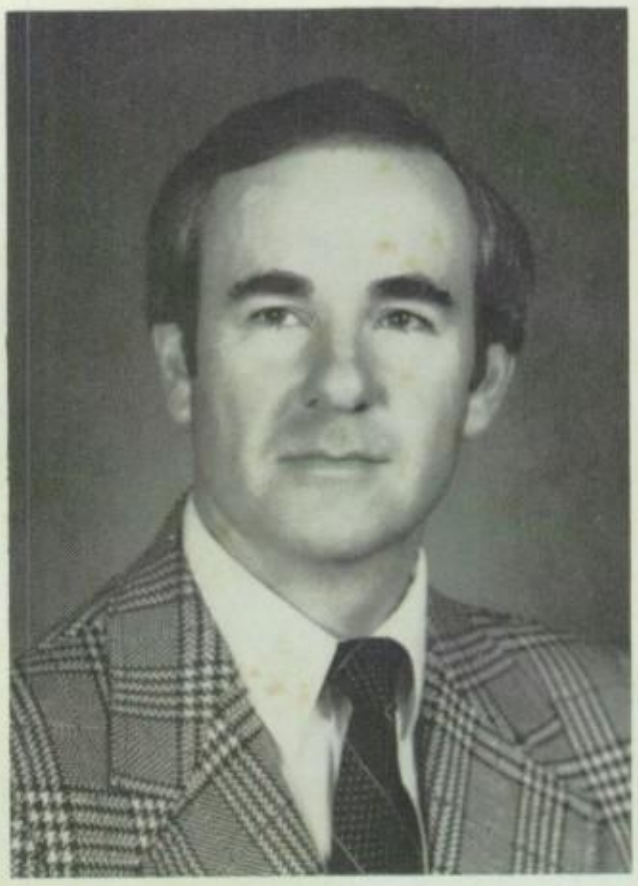
ACORN

Acorn 1985

Oak Hill High School

Elmer, Louisiana

Volume 37



It has been a distinct honor and a priviledge for me to have served as your principal during the 1984-85 school year.

A remarkable spirit of cooperation and dedication to school pride is clearly evident as one turns the pages of this yearbook. The accomplishments and memories captured here will be a pleasant reminder of this year of our lives.

Congratulations to the annual staff and sponsor for a job well done.

Mr. Don Grant
Acting Principal

May I congratulate the Yearbook staff for this fine collection of memories. Your dedication to doing the task will be cherished for years to come as each of us will at times take the 1985 Acorn from off a shelf and reminisce about the good times we all had.

Again, congratulations and may I wish everyone of you health, happiness and success in your future.

Very sincerely,
Donald E. Robinson
Principal

I wish to commend the Acorn staff for their untiring efforts in publishing another beautiful memory of Oak Hill.

I would like to again thank the voters of Ward Five for helping make it possible for me to serve you on the Rapides Parish School Board.

Together, let us progress in educating our young people in the best way possible. May God Richly bless you.

Kay McLaughlin
School Board Member

In Memoriam

J. D. Belvin
January 25, 1924 - October 20, 1984

J. D. Belvin taught at Oak Hill for two decades. But Oak Hill was more than just a job for him. It was the place to which he returned, even after retiring, to visit with his friends and neighbors.

The Garden of Sweet Memories

In the cool of the evening I visit,
In the garden of sweet memories;
Happiness floods my soul with ecstacy,
When my precious love ones I have seen.

When the time has come for my last journey,
What a great meeting it will be.
There with friends and neighbors through the ages,
In the garden of sweet memories.
J. D. Belvin

John Christopher Lundy
Salutatorian

I'm very honored tonight to stand before this vast audience and speak on behalf of myself and the senior class.

For many months we have been anticipating this great occasion, and now that we are living it, the realization is even greater than we had dared dream it could be. Having you share our honor this evening has only made our dreams more perfect.

We have reached our first goal, and it is time to strive for new goals. Each one of us has a decision to make.

To view our high school years at this time may be a little early but I am sure that as future years go by we will realize many times a decision we have made is based on something that happened in high school. Of course, not all of our present high school impressions will have measurable value in our lives or be determining factors in decisions concerning the future. But many experiences of these 13 years will have a determining effect on our lives and what we are to do.

Our high school impressions, of course, vary greatly. A number of people may walk through the same great forest, hear the same sounds, see the same trees, birds and flowers. Each will be impressed in his own way. One will take his impression and write a song that will live in the hearts of people. Another will take a few pieces of crayon or an artist's brush and paint a beautiful picture. Likewise, the different members of the senior class may have been impressed with entirely different experiences in high school.

There may be many lessons in life, which can be drawn from things learned in high school. When life's problems seem impossible or too difficult it may often serve us well to turn to the one that created us in his image.

I am leaving, as are the others of this class, with a feeling of accomplishment and also a feeling of regret that the time was so short and that a very important phase of our lives is coming to an end. Oak Hill will be a lasting memory to each of us.

As these high school days close behind us forever we would be thoughtless indeed if we did not express our beautiful appreciation to those who have helped us reach this point in our lives. To our parents, faculty, and many others who have touched our lives we say a sincere "Thank You".

The time is now upon us to look forward, not just to tomorrow or next week, but to the future.

We seniors are now at a turning point in our lives. The easy days of our youth are coming to a close. A new, unfamiliar world stands before each of us. We must meet the challenge with an undying strength, for we are the leaders of tomorrow.

You have made us what we are. Certainly we could not have made it where we stand today without the help of so many dedicated teachers. For all you have done for us, we are indeed grateful, but most of all we appreciate you, our parents. For you have done so much for us. We stand today examples of your love.

To all of you and for all you have done, we would like to say THANK YOU.

School Days 84-85

School days at OHS are made up of more than academics. Some fun and games always go on with Ann, Wendy, Melissa and Melinda; organized study as in Mrs. Walter's junior high class; some serious conversations as with Mrs. Ward, Jennifer and Melissa; and, track encouragement and strategy by Mr. Miller and the boys.

Fifth-Grader Steals Hearts At Cenla Rally

By Barry Parish
Town Talk Sports Writer

If the Oak Hill girls track team should ever make national TV, Mary Lou Retton's role as the darling of women's athletics could be in jeopardy.

Dana Brister, a 4-foot-1 fifth-grader, captured two firsts Tuesday in the Cenla Rally at ASH. The 65-pound 10-year-old won the 1,600 meters by a comfortable 14-second margin with a time of 6:24.28. She picked up her second victory of the day against the varsity competition with a 2:59.10 in the 800.

"She could outrun all the boys in second, third and fourth grade," said Oak Hill coach Gayle Smith. "She's wanted to run since the second grade and I let her run this year after she got permission from her mother."

Brister has finished no worse than sixth in her first year of varsity competition and is expected to earn a berth in the regional meet at next Wednesday's District 3-B meet.

"Of course, the thing you worry about is her getting tired of running," said Smith. "I would hate to see someone like her get disinterested so early."

The Oak Hill girls used Brister's 20 points to roll to a decisive win in the girls division with 101 points and complete a Ram sweep in the team races. The Oak Hill boys compiled 115 points to take the boys title over Moreauville's 73 points.

Dana Brister of Oak Hill took two firsts.

Being A Cheerleader

CAPTAIN-Kellie Jenkins- "To me, being a cheerleader means supporting your school, and baskerball team. It's hard but it's a lot of fun."

CO-CAPTAIN-Karen Wilkins- "It has been an honor to support the baskerball team in my 3 years of cheering."

Robin Barton- "This was my first year being a cheerleader, and I really enjoyed attending the camp and cheering throughout the year."

1985 Cheerleaders

Jennifer Gray- "I thought being a cheerleader was alot of fun."

Cathy Wilson- "It is a challenge and an honor to be a cheerleader."

Srephanie Warren- "I am proud to represent the Rams and to support them at the games."

Michelle Bass- "We are out there to do our best, and to give the Rams and Lady Rams support."

Charlotte Warren- "Cheering menas to be loyal and supportive to your team and to the fans."

Moving in for the shot!

I am so tired of all these people!

Why won't these people cooperate?

Just a little higher!

Gary, traveling down the court.

This could be a problem.

I get so tired of waiting on these people.
